

Rigsby. Her grandchildren are: Erin (Devin) Hawkins, Esq. of New Orleans, Louisiana; Morgan D. Rigsby and Markesa B. Rigsby of Nashville, Tennessee; and Reginald D. Rigsby II of Madison, Mississippi.

Madam Speaker, I ask my colleagues to join me in recognizing Mrs. Esther Martin Rigsby.

REMEMBERING ROBERT TORRAS SR.

HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 12, 2020

Mr. CARTER of Georgia. Madam Speaker, I rise today to remember and honor the life of Mr. Robert Torras Sr. of St. Simons.

Mr. Torras was a remarkable businessman, philanthropist, and visionary who was always thinking of ways to solve problems.

Through his work running the family-owned operations including the Brunswick Landing Marina, Kut-Kwick Corporation, and Torco Incorporated; developing the West Point Plantation on Saint Simons Island; and running multiple other commercial real estate holdings in both the Atlanta metro area and Glynn County, he left an indelible mark on the state of Georgia.

When Mr. Torras purchased the land now occupied by Brunswick Landing Marina, it resulted in the development of the largest salt-water marina in Georgia.

After studying the waterways, marine life, and shipping routes, his work helped spur legislative changes regarding marinas to pave the way for other commercial ventures which benefitted many.

I am grateful for Mr. Torras' many years of hard work and for his wisdom, determination, and energy.

My thoughts and prayers are with all who worked with him, knew him, and loved him.

THANKING "THE THREE MASKETEERS" FOR THEIR HARD WORK KEEPING OUR COMMU- NITIES SAFE

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 12, 2020

Mr. OLSON. Madam Speaker, I rise today to recognize three young heroes from Pearland that are doing their part to stop the spread of COVID-19.

When Amar Sehgal, Karthik Bhagavatula and Praneel Bhagavatula heard that hospitals could possibly face shortages of face masks and other personal protective equipment, the three decided to act. Although COVID-19 had cancelled this year's Texas Science and Engineering Fair, this trio of heroes found a way for their work to help protect their community.

Known as "The Three Masketeers," Amar, Karthik and Praneel have been using 3-D printing to create N95 facemasks to give to people at higher risk of contracting the coronavirus. These masks take only three hours to print, are cost-effective, and the Three Masketeers aren't charging a dime for them.

When we face great challenges like COVID-19, the people of TX-22 come together and lift each other up; Amar, Karthik and Praneel are living proof.

On behalf of the Twenty-Second Congressional District of Texas, I thank "The Three Masketeers" for their hard work protecting our community from coronavirus. They have provided critical aid to people in need during these unprecedented times.

RECOGNIZING LOHGAN DENNEHY OF BUTTE

HON. GREG GIANFORTE

OF MONTANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 12, 2020

Mr. GIANFORTE. Madam Speaker, I rise today to honor Lohgan Dennehy of Butte for her work providing handcrafted personal protective masks to health care, school district, and community workers as Montana combats the COVID-19 outbreak.

At 10 years old, Lohgan knows what she wants to be when she grows up—a fashion designer. To encourage her dream, Lohgan's parents bought her a sewing kit, and her mother taught her how to sew. She's become a natural.

Her parents say she has a heart of gold, that she's one of the most kindhearted human beings you've ever met. She enjoys making a difference. It was no surprise when Lohgan wanted to help when she heard there was a shortage of masks in Butte.

Lohgan watched YouTube videos on the proper way to make a mask with her sewing machine and materials. She admits it was difficult at first, but eventually she mastered the process and can make one in just 20 minutes. Lohgan sends her special masks to doctors and nurses at both St. James Healthcare in Butte and the Community Hospital of Anaconda, Butte's public transportation drivers, school district employees delivering meals to kids, soldiers at the local military enlistment offices, and anyone who has a pre-existing condition. Montanans throughout our state embraced Lohgan in her efforts, donating money and supplies to keep her going.

So far, she's made 120 masks and has another 50 requests to make more. It's a lot of work for Lohgan, who's completing her fourth grade assignments from home, but she's committed to doing her part to keep people safe and healthy.

Madam Speaker, for using her talents to help her fellow Montanans amid a public health crisis, I recognize Lohgan Dennehy for her spirit of Montana.

KERRY GLENN

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 12, 2020

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize Kerry Glenn, who after 30 years in the Adams 12 School District, is retiring. Kerry's dedication to STEM education in the Adams 12 School District and in the City of Northglenn has made a significant impact on students which will last for years to come.

In 1984, Kerry graduated from Northglenn High School and received his bachelor's degree in Applied Mathematics and Aerospace Engineering from the University of Colorado, Boulder in 1989. In 1990, he started teaching math at his alma mater, Northglenn High School. He continued to advance his own learning, and in 2003, he earned a MA in Curriculum and Instruction from the University of Colorado, Denver. From 2003 to 2012, Kerry was the instructional leader of the math department at Northglenn High School. In addition to teaching all levels of mathematics, Kerry also taught Project Lead the Way (PLTW) Engineering classes from 2010 to 2012. These positions reflect his talent for bringing people together and fostering and strengthening collaboration in education—all with a smile on his face.

In addition to his teaching career, Kerry has provided countless hours and resources to his community by serving on local and state boards and commissions including District STEM Coordination, CTE DAG team, City of Northglenn Business Recognition, City of Northglenn Branding, Adams County Business Pitch Committee, Adams County Education Consortium, Adams County Manufacturers Youth Pipeline, Colorado P TECH, as well as Board President of Anythink Libraries. He also cofounded STEMinspired. In 2012 as STEM Coordinator, Kerry used the K-8 Adams 12 STEM Model to design and implement the curriculum in grades 9 through 12. In 2016, Kerry became the District P TECH/STEM Coordinator.

Through both the STEM and the P TECH programs in Adams 12, Kerry has created hundreds of industry partners that work side by side with students, helping to improve outcomes for students and the surrounding community. I congratulate Kerry on a lifetime of service and wish him all the best in retirement.

IN RECOGNITION OF KENNETH LEVENO, MD

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 12, 2020

Mr. BURGESS. Madam Speaker, I rise today to recognize the exemplary work and life of service of Kenneth Leveno, MD with Parkland Hospital in Dallas, Texas. Dr. Leveno was instrumental in developing a number of the innovative programs that are an integral component of Parkland's Women and Infant's Specialty Health division for decades.

He earned his undergraduate degree at Notre Dame University and his medical degree from Creighton University School of Medicine. Dr. Leveno joined the Parkland medical staff in the 1970s and passionately sought to provide the best obstetrical care for patients entrusted to Parkland's care. His clinical studies demonstrated that access to prenatal care could mitigate health disparities among patients who face high levels of socio-economic hardship. He collaborated with medical, nursing and administrative leaders to create a highly organized, evidence-based system of care that led to excellent clinical outcomes and became known as the "Parkland Way."

Dr. Leveno was a pioneer in the deployment of advanced practice providers to expand

services to an ever-growing population of patients in need of care. In addition to the development of a low-risk delivery unit, he initiated the nurse-midwives program at Parkland. In 1987, Dr. Leveno recruited midwives across the U.S. and even abroad to launch Parkland's program, now one of the largest and most respected Certified Nurse-Midwives services in the United States. His groundbreaking research and development of innovative obstetrical care practices transformed Parkland's obstetric service and created a unified system that integrated prenatal delivery and postpartum care.

Dr. Leveno devoted more than fifty years of his life to the medical profession, including serving as the UT Southwestern Jack A. Pritchard Chair in Obstetrics & Gynecology and was recognized as the Distinguished Physician Award by Parkland Hospital in 1998. His positive impact and worthwhile contributions to the medical profession will be sorely missed by the patients he so diligently served and by the colleagues who held him in great esteem. I am deeply grateful for his friendship and service and pray for comfort and peace for his wife and family.

HONORING QUITMAN COUNTY
SCHOOL DISTRICT SCHOOL
BOARD PRESIDENT LORENZO
"DC" WINDLESS

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 12, 2020

Mr. THOMPSON of Mississippi. Madam Speaker, it is an honor and privilege to recognize the Honorable, Mr. Lorenzo Windless, fondly affectionately known as, 'DC', was born and reared in Darling, MS. He is a supportive and dependable brother to six siblings and a dedicated and loving son to his mother, Ms. Fannie Windless of Sledge, MS. Lorenzo has a genuine love for family, for friends, for the community, for our nation and to simply put it he has a love for people.

We would like to share a few of Mr. Windless' accomplishments and positions that he has proudly and effectively held within our communities: Lorenzo was born with a heart to help others-at the age of 18 he was Asst Fire Chief of Sledge MS's volunteer Fire Department, and being the trailblazer that he is, he began as a Security Officer at Sam's Town Casino in 1994, onto a Police Officer in 1998 promoted to Police Chief in Sledge, MS by 2000 (tactical training at Ole Miss University) and Mayor of Sledge MS 2001 to 2005. During his tenure, as the 1st African American male Mayor of Sledge, MS, a new and robust water system was installed, and the town of Sledge celebrated their very 1st 'Sledge Day.' With the sole purpose of engaging, understanding, and assisting and impacting the lives of other African American men, DC began a career as a Bail Bondsman in 2010 to current.

Mr. Windless is a 'Man of many gifts.' He started mowing lawns, transporting, and cooking for the elderly within the community or those less fortunate. Lorenzo became an entrepreneur and community-made businessman from 2008 to 2014: owning and operating such businesses as; Lorenzo Lawn Service, Big Dog BBQ Catering and Liberty Transportation, Wrecker Service and Used Cars.

Always seeking to inspire, motivate, nurture, and cultivate, Lorenzo became a member of the School Board and has served for two terms and is currently serving as President of the Quitman County School District. He is a board member of the Marks Project Community Work Force alliance, where they provide job training, certification and skill enhancement. Mr. Windless is also the Lambert Community Housing Manager. In the midst of it all, he is pursuing his own educational goals as a student of Strayer University College, studying Business Administration with an expected end of an MBA Degree.

All that we do is for naught if we are not doing it for the glory and edification of God. Minister Windless accepted his calling as a preacher in 2003, where he began as the Youth Minister at St Phillips Missionary Baptist Church in Sledge, MS. He became a pastor in 2004 and is currently the shepherd of the Zion Travelers Missionary Baptist Church in Farrell, MS. He was also the Chaplain for Memorial Hospice and Palliative Care. Pastor Windless believes that it is the heart of a man that rules him and if he can touch hearts, then minds will be changed, and our black heritage will thrive. Moreover, he works tirelessly and consistently towards that end.

All that God has allowed Pastor Windless to accomplish would not have been attainable if not for the sacrifices, support, and strength of his own family. Pastor Windless is adorned by his eloquent and graceful wife of over 20 years, Lady Sharonda Windless and his beautiful and respectful daughters: Gabrielle, Alesha and Zaria Windless. As he journeys through this life being the example and epitome of a wise, courageous, fierce, strong and loving black man—he does so through the love and encouragement of his family and by the grace of God. President Windless and his family not only open their hearts to those in need, but they also open their home to those God has directed to them. With their nest one child from being empty, they have taken on the responsibility of providing a home, helping to mold and teach three other young men. His life is not one of the words but actions and deeds.

A glimpse into the life of Mr. Windless is a reflection of 'helping others.' He is a man with a God-given vision, the will to press forward, and a zeal to change lives. No task set before him has gone undone; hurdles placed in his path, have made him stumble, but he has yet to fall; conflict, health issues and life itself have thrown darts of hatred, bigotry and dismay towards him but he does not bow down nor will he back down. President Windless is a man of fortitude, laughter, wisdom and truth, wise enough to be patient and humble enough to listen.

It has been an honor to recognize and present an outstanding and remarkable Man of God businessman, and community leader.

TRIBUTE TO BRETT R. BARBRE

HON. KEN CALVERT

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 12, 2020

Mr. CALVERT. Madam Speaker, I rise today to pay tribute to and congratulate Director Brett R. Barbre on his retirement from the Mu-

nicipal Water District of Orange County's (MWDOC) Board of Directors after nearly 20 years of valued service.

Director Barbre has been a valued member of MWDOC since he was elected to the Board in November 2000. He serves as the Director of Division I which includes the cities of Brea, Buena Park, La Habra, La Palma, Placentia, and Yorba Linda. In this role, Director Barbre has dedicated his career to ensuring there is an adequate water supply for Orange County residents and businesses. He has helped MWDOC secure millions of dollars in local, state, and federal funds to build projects to increase water reliability for his region. He was a driving force behind the construction of a desalination plant in Dana Point, and he has played an active role in finding other viable desalination sites in Huntington Beach and throughout our southern counties.

In 2009, Director Barbre was appointed to the Metropolitan Water District of Southern California's (MWD) Board of Directors. MWD delivers water to approximately 20 million residents and serves the largest population of any water district worldwide. He took on his role at MWD with enthusiasm and was recognized both in California and Washington, D.C., as a tireless advocate for our region. His vision to modernize our water supply systems has benefitted all of Southern California.

Director Barbre is an Orange County native, having left only to attend George Fox University in Newberg, Oregon. After graduation he moved back to Orange County and has been a Yorba Linda resident since 1969. He and his wife, Jean, have two daughters, Kimberly and Kathryn, two grandsons and one granddaughter.

The entire Southern California region thanks Brett for his many years of service, and I wish him all the best in his next chapter.

RECOGNIZING THE ACCOMPLISHMENTS OF TED ROWSE ON THE OCCASION OF HIS 100TH BIRTHDAY

HON. JAMIE RASKIN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 12, 2020

Mr. RASKIN. Madam Speaker, I rise today to recognize Ted Rowse, a wonderful constituent who just celebrated his 100th birthday. Mr. Rowse has honorably served our country in battle and as a public-spirited journalist, and he has been a popular member of the Chevy Chase community for over 45 years. This past Saturday, I was touched to join his loving friends and family who organized a drive-by parade of cars to celebrate Ted's 100th birthday in a safe and festive way.

Ted left college in 1942 to enlist in the Army. During WWII, he served in North Africa and Italy and was awarded 4 battle stars for his courageous service. Following the war, Ted returned to education and received his MBA from Harvard Business School.

Ted led a fascinating career as a journalist, beginning at the Boston Globe before eventually moving to Washington to work as an assistant city editor of the Washington Post in 1960. He went on to serve in the Johnson White House on programs to help consumers. His distinguished career culminated in his generous creation of the Arthur Rowse Award for Press Criticism.
